Please note that **ALL** our lecterns and frames are **bespoke** items. If you cannot see what you want please call us and talk to us, we will be very happy to work with you to come up with a design that suits your requirements. Besides printing and fabrication we also have sheet cutting and engraving facilities.

Printing price is based on artwork supplied in printed ready format such as:

Illustrator CS2 file (.ai) Photoshop CS2 file (.psd) High Res (300dpi) PDF
 JPEG, TIFF, Corel etc Please note that we work on PC's

We cannot print from Word documents, MS Publisher files, Page Plus, or other office applications. All images should be supplied ready to print. Please remember that you only get out what you put in with digital printing. In order prepare the image for printing it may be necessary to edit the image. Please ensure that the text is converted to outline and colour profiles are embedded. Please allow 20mm all round for framing. If you are in doubt please call the office or email chris@filcris.co.uk

Artwork design service: artwork for image boards can be laid out from text and images supplied by the customer at a cost of £250.00 plus VAT. If new images need to be generated the price of these will start at £50.00 plus VAT each. These are guideline prices only and a final design fee will not be quoted until a brief has been agreed.

All prices are ex VAT. Filcris Ltd reserves the right to amend the prices and specifications of its products
