Delivery:

Delivery costs vary considerably with the weight of the order, the delivery location and any specific delivery requirements. To ensure we can provide the best price we can please contact the sales office so we calculate a price for you.

Receiving goods:

Please note: it is the customer's responsibility to unload the goods when they arrive.

Smaller items and quantities are sent by carrier, but the goods may need to be sent on a pallet.

Pallets of goods can be large and heavy and the correct lifting equipment or labour will need to be provided .

Pallet deliveries which are 1.8m or less can be unloaded using a tail lift on the vehicle. Larger pallets will require a fork lift or similar to unload or will need to be handballed off. Deliveries which are turned away due to lack of loading facilities will incur a redelivery charge.
